MACHINERY

Index to Vol. XXV
September 1918—August 1919

1919
THE INDUSTRIAL PRESS
140-148 Lafayette St.
New York

Index to MACHINERY

A

Abbott Ball Co.:
Burnishing Cones..... 274
Abbott, L. R., Personal of..... 682
Abdt, Otto:
Accuracy of Worm-gears..... 221
Oiling and Lubricating Devices.....1146
"Abitz" Reversible Countershaft..... 986
Abrasive Finishing Machine, Blevney Vertical... 272
Abrasives, Output of Artificial..... 355
"Absolute" as Applied to Velocity, Pressure and Temperature.....1180
Accident Compensation Decision..... 108
ducing 415
Accidents, Americanization as a Means of Re-
Accidents, Factory 134
Accidents in Metal Working Industries..... 317
Accuracy in Machine Work..... 596
Accuracy in Manufacturing Small Interchangeable Parts, Machine. G. C. White..... 67
Acetylene on Quality and Cost of Welds, Effect of Impurities in. Charles Bingham..... 341
Acids, Cutting Steel by the Use of. D. E. Mapes.1158
Acme Machine Works:
Roll Feed for Power Presses..... 889
Acme Tool Co.:
Acme Drilling Machine Vise..... 884
Adams, John W.:
Problem Occurring in Gage Work..... 551
Adapters, Methods Employed in Machining. M. H. Potter. 296
Adjustable Anchorage Co.:
Anchorage for Electric Motors..... 890
Adjustable Reamer, Special 146
Adjustment of Lathes, Inspection and. James Forrest. 1039
Advance Machinery Co.:
Bridge Reamer 176
Africa, America's Trade Relations with British South 571
Air Blowing Outfit..... 777
Air Compressor, Ingersoll-Rand..... 871
Air Compressor, Motor-driven..... 176
Air Compressor, Stratton.....1199
Air-cooled Radial Cylinder Engine Mountings.... 818
Air-driven Scraper, Anderson..... 769
Air Feed on Turret Lathes..... 49
Air Outfit, Portable.....1004
Air Pipes, Ice in..... 342
Air-pump Cylinders, Reboring Cross-compound.. 857
Air-rifle Wedge Die—Addition..... 373
Aircraft Production, Disposal of Material in the Hands of Bureau of..... 779
Aircraft, Radio Telephony for Use on..... 623
Aircraft, Specifications for Cast Iron for..... 58
Airplane Development 744
Airplane Motor Improvement..... 212
Airplane Motor Parts, Making Liberty..... 636
Airplane Plant, Training Women in an. James W. Russell 593
Airplanes, Aluminum Pistons for..... 200
Ajax Mfg. Co.:
Upsetting Forging Machine..... 772
"Akron" Friction Clutch..... 266
Alemite Metals Co.:
Lubricating System 470
Alien Enemy Act, Principles of the..... 88
Aliens as Dependents. Chesla C. Sherlock..... 36
Aligning Surfaces for Setting Up Electric Motors.. 702
Allen, A. C.:
Plier Wrenches 1004
Allis-Chalmers Mfg. Co.:
Large Lathes for Machining Turbine Spindles.. 439
Allowances for Jig Bushings, Driving Fit. M. H. Chase 548
Alloy Cast Tool Co.:
Making Cobaltcrom Steel Tools.....1173
Alloy for Metal Cutting, New..... 573
Alloy that Resists Corrosion..... 10
Alloys, Aluminum and Copper. Charles Vickers.. 201
Alloys, Bureau of Standards' Work on Light Aluminum 802
Aluminum Alloys, Bureau of Standards' Work on Light 802
Aluminum and Copper Alloys. Charles Vickers.. 201
Aluminum Bronze as an Engineering Material. Charles Vickers 135
Aluminum Bronze, Die-casting of. H. Rex and H. Whitaker. 308
Aluminum Dust, Inflammability of.....1031
Aluminum Pistons for Airplanes..... 200
Aluminum Solder 1164
Aluminum Welding 675
Amalgamated Machinery Corporation:
Shell Turning and Boring Lathes..... 261
American Association of Engineers, Meeting of the 863
American Broach & Machine Co.:
Broaching Machine 1094
American Car & Foundry Co.:
Electric Rivet Heater 1202
American Engineering Standards Association.....1072
American Foundry Equipment Co.:
Sand-blast Tumbling Barrel..... 777
American Gear Manufacturers' Association:
Semi-annual Meeting at Syracuse..... 161
Annual Convention 810
American Institute of Mining Engineers:
New York Joint Meeting of Engineering Societies 372
American Machine Co.:
Drill Chuck 1004
American Machine Tool Engineering Works:
"Hack" Adjustable Reamers and Taps..... 767
"Hack" Universal Relieving Machine..... 768
American Pipe Bending Machine Co.:
Pipe-bending Machine 266
American Pneumatic Chuck Co.:
Collet Chuck 363
Pneumatic Collet Chuck..... 876
Air-operated Chucks 1003
American Railroad Association, Convention of the.1104
American Saw & Mfg. Co.:
"Lenox" Metal-cutting Band Saw..... 667
American Shell Co.:
Automatic Shell Marking Machine..... 257
American Society of Mechanical Engineers:
Cooperation between A. S. M. E. and War Industries Board 275
New York Joint Meeting of Engineering Societies 372
Announcement of Annual Meeting..... 373
Annual Meeting 447
February Meeting 684
Semi-annual Meeting 1038
American Society of Mechanical Inspectors.....1100
American Standard Gage Corporation:
Thread Grinding Attachment..... 570
American Steel Treaters' Society, Cincinnati Branch of..... 927
American Steel Treaters' Society, National Convention of 1170
American Steel Treaters' Society, Organization of. 680
American Thread Grinding Machine Co.:
Thread Grinding Machine..... 778
American Tool Works Co.:
Radial Drilling Machine..... 888
American Welding Society 694
Americanization as a Means of Reducing Accidents 415
Americanization in the Industries..... 298
Americanization in the Industries, Conference on.. 655
Americanization, Industrial 704
Ames, R. G., Personal of..... 684
Analysis, Job. A. J. Schneider..... 702
Anchorage for Electric Motors..... 890
Anderson, Andrew G., Obituary of..... 578
Anderson Bros. Mfg. Co.:
Air-driven Scraper 769
Anderson Die Machine Co.:
Die Forming Machine 778
Anderson, E. G., Personal of..... 280
Anderson, Edwin G., Personal of..... 682
Anderson, W. A.:
Hammer with Replaceable Head.....1179
Angle by Three-wire Method, Determining Error in Thread 552
Angle Fixture, Beckett Universal..... 164
Angle Fixture, Nelson Universal..... 987
Angle Fixture, Reid Universal..... 765
Angle for Milling Radial V-grooves, Method of Determining. Adolph Moses 1066
Angle Gage with Sliding Beam. C. W. Shelly.. 156
Angle-plate, Sine 480
Angles, Double and Compound. Thomas A. Reilly 254
Angles, Double and Compound. H. H. Metcalf.. 648
Angles, Double and Compound. Thomas A. Reilly 1049
Angles of Special Screw Thread, Finding. Walter H. Webster 256
Angles of Special Screw Threads, Finding. Elmer Latshaw 978
Annealing Chain. A. Black..... 37
Annealing Ingot Iron..... 742
Antimony in China, Production of.....1152
Apgar, J. D., Personal of..... 380
Apprentices, see also Training.
Apprentices, Recording the Progress of.....1155
Apprentices, Training Schools for..... 595
Arbor, Fisher-Smith Ball Test..... 776
Arbor, Support for a Slender. Donald A. Hampson 648
Arbor, Turret Fixture and Expansion. A. J. Cahen 750
Arc, Finding the Length of the Radius of a Tangent. J. L. Jinkins.....1086
Arc, Finding the Length of the Radius of a Tangent. Elmer Latshaw 1183
Arc, Finding the Length of the Radius of a Tangent—Correction 1183
Arc Welding, see Welding.
Arc Welding Machine Co., Inc.:
Improved Arc Welding Machine..... 364
Area of Fillets. Harry Gwinner..... 200
Armstrong, H. H.:
Receiving and Maintaining Stock of Raw Material for the Factory..... 309
Producing Sheet-steel Articles.....1082
Arnold Co., H. H.:
Milling Cutters 1098
Arnold Electric Drill Co.:
Electric Drill 778
Arrow Tool Co.:
Thread Lead Testing Device..... 777
Artisan Mfg. Co.:
"Safshift" Belt Shifter 1002
Assembling and Welding Table, Continental..... 269
Assembling Operations in a Drilling Machine, Tapping and. Donald A. Hampson..... 315
Atkins & Co., Inc., E. C.:
Metal Band-saw Machine..... 371
Atkinson, Lloyd H., Personal of..... 280
Atlas Press Co.:
Forcing Press 83
Automatic Electrical Tool Co.:
Automatic Electrical Screwdriver and Airplane Drill 168
Automatic Engraving & Mfg. Co.:
Automatic Milling Machine..... 889
Automatic Lathe, see Lathe.
Automatic Machine Co.:
"Coulter" Open-side Planer..... 877
Automatic Machine & Tool Co., Inc.:
"Tamco" Pocket Scale and Square Holder..... 765
Automatic Machine, Definition of.....1182
Automatic Screw Machine, see Screw Machine
Automobile Industry, Prospects in the..... 554
Automobile Piston-ring, Tooling Equipment for an. Thomas Orchard.....1058
Automobiles, Curtailment in Production of Pleasure 218
Automobiles in America and Abroad.....1066
Automobiles, Steel Wheel for..... 913
Automotive Engineers, Annual Meeting of the.. 453
Avey, Frank C., Personal of..... 682
"Avey" Radial Drilling Machine..... 663
Ayers, J. G., Jr.:
Device for Testing Hardness of Materials Commercially 292

B

Babbitt and Babbitted Bearings, Notes on. Jesse L. Jones.....1075
Bachman, Edwin J.:
Lathe Attachment for Cutting a Six-inch Lead Thread 973
Bailey Co., George D.:
Roller Bearing 673
Bakelite Products, Making Molded. Edward K. Hammond 187
Baker Bros.:
Forming Operation on a Drilling Machine..... 160
Baker, C. H., Personal of..... 280
Baker, Charles H., Personal of..... 682
Baker, Donald A.:
Automatic Cable Winding Mechanism..... 44
Spline Gages 61
Milling Machine Fixture for Sawing off Tubes.. 155
Chuck for Three-inch Shrapnel Shells..... 111
Double-spindle Milling Machine for Wrench Slot in Detonator Socket..... 193
Die for Forming Thimble..... 256
Stop for Spring Collet..... 372
Detonator Socket Milling Fixture..... 515
New Gaging Idea..... 545
Inserted-tooth Slotting Cutters..... 548
Special Machine for Milling Wrench Slots..... 592
Fixture for Milling Oil-groove in Bushing..... 644
External and Internal Facing Tools for Hand Screw Machine 752
Dowels and Their Use..... 825
Making Keyway Gages 858
Stops for Lathe and Screw Machine Spring Chucks 974
Baker R. & L. Co.:
Industrial Truck 175
Balancing, Dynamic and Static. Edward K. Hammond:
1 285
2 422
Balancing Grinding Wheels 395
Balancing Machine, Dynamic 1005
Ball Bearing, Fafnir "Dragon" Type..... 75
Ball Bearing Housings on a Turret Lathe, Boring and Reaming. P. S. Thomas..... 66
Ball Bearings for Machine Shop Equipment. Edward K. Hammond:
2 50
Ball Bearings, Equipping a Plain Bushed Pulley with 1170
Ball, James H., Obituary of.....1104
Ball-point Attachments for Micrometers. George C. Haneman 645
Ball Thrust Bearing, Rochester..... 879
Balls in Measuring, Use of. G. C. Haneman...1077
Balph, W. G., Personal of.....1106
Band Saw, "Lenox" Metal-cutting..... 667
Band-saw Machine, Metal 371
Band Saws, Reclamation of Hacksaws and Metal-cutting 421
Banks, Frederick R., Personal of..... 90
Bantam Ball Bearing Co.:
Welfare Work of the Practical Kind..... 735
Production Barometer 1154
Bar Stock Racks, Kent..... 667
Barnes, A. J., Personal of..... 184
Barnes & Irving, Inc.:
Rotary Hacksaw 82
Barnes Drill Co.:
Gang Drilling Machine 660
Barnes, William O.:
Cutter Grinding Machine 1100
Barnitz, Harry L., Personal of.....1184
Barometer, A Production 1154
Barr, H. Edsil:
Pneumatic Hammer 480
Barrels, Heyen Machine for Corrugating Galvanized Iron 661
Barrels, Manufacture of Steel. Edward K. Hammond 526
Barrett-Cravens Co.:
Lift Trucks 471
Bartlett, George M.:
A Useful Mechanism for Power Press Feeds.... 533
Bartsch, Alfred H., Personal of..... 684
Base Plug for 9.2-inch High-explosive Howitzer Shells, Machining. M. H. Potter..... 227
Battery Charging Outfit, Storage.....1004
Battleship, Largest American.....1029
Beach Mfg. Co.:
Lapping Machine 367
Beaman & Smith Co.:
Slot Milling Machine 879
Beams, Shearing Strength of Concrete..... 918
Bearing, see also Ball, Roller, etc.
Bearing Repair, Motor. J. L. Gard..... 64
Bearings, Cast-iron or Bronze for..... 978
Bearings for Machine Tools, Cast Iron or Bronze. Donald A. Hampson.....1086
Bearings, Notes on Babbitt and Babbitted. Jesse L. Jones.....1075
Bearings, Some Methods of Lubricating Inaccessible. Otto Abdt.....1146
"Beaver Junior" Pipe Threader, Borden..... 775
Becker Milling Machine Co.:
Vertical Milling Machine.....1005
Beckett, John R.:
Thread Milling Attachment..... 164
Universal Angle Fixture 164
Belgium Urged, Commercial Visits to..... 821
Bellevue Industrial Furnace Co.:
Drill Grinding Machine 1100
Belt Cleaner, A Cheap. John J. Borkenhagen.. 461
Belt Cleaner, Cheap. William D. Young..... 647
Belt Efficiency 915
Belt Fastener, Flexible 1199
Belt Fastener, Sawyer 1199
Belt Preservative to a Moving Belt, Device for Applying 1100
Belt Shifter, "Safshift" 1002
Belts, Method of Obtaining Length of. F. C. Duston 757
Belts, Paper, Driving 497
Belting, Substitute for Leather 415
Belvin, Preston, Personal of 1104
Bement, Harold C., Personal of..... 900
Bemis Machine Co., E. W.:
Collet Lathe Chuck 476
Bench Plate, Simplex 268
Bending and Straightening Machines, Kane & Roach 1000

355508

Bending Irregular Chutes without Wrinkles. S. B. Royal 559
Bending Machine, American Pipe..... 266
Bennett Co., W. R.:
"Triad" Furnace 761
Bent Nut Tapper. Howard M. Bogart.....1049
Berrini, L. C.:
A South American Plea for the Metric System.. 850
Bertolaia, Carlo:
Guerini Process for the Oxidation of Finished Metal Surfaces 177
Bevel Gears, A Comment, Strength of Spiral-type. A. L. Stewart 67
Bevel Gears, Horsepower Chart for Spur and. M. T. Schumb 646
Beveled Surfaces, Boring Fixture for. Frank H. Mayoh 1083
Bickett Machine & Mfg. Co.:
Improvements in Bickett Planer..... 368
Looking after the Health of Workers..... 575
Bickley Mfg. Co.:
Power Pulley 889
Bicknell-Thomas Co.:
Tapping Machine 879
Bilger, Eugene:
Lubricating a Countershaft 349
Hold-down Block for Machine Vises..... 756
Bilton Machine Tool Co.:
Split Milling Cutters..... 776
Milling Machine Vise 885
Bingham, Charles:
Effect of Impurities in Acetylene on Quality and Cost of Welds..... 341
Bingham, J.:
Drawing a Tapered Steel Shell..... 977
Black, A.:
Safe Chain Loads 37
Black & Decker Mfg. Co.:
Portable Electric Drill..... 476
Portable Electric Drill..... 570
Valve Grinder 669
Lectroflater Outfit 671
Portable Electric Drill 778
Blade Holder, Hacksaw. D. D. Symmes..... 647
Blair Tool & Machine Works, Inc.:
Thread Gage Grinding Machine..... 165
Internal and External Thread Lead Testing Machine 167
Pitch Diameter Measuring Machine for Thread Gages 167
Blanchard Machine Co.:
No. 10 Surface Grinding Machine.....659
Blanking and Shaving Die, Combination.....1162
Blanking Dies. Henry H. Hardinge..... 65
Blast for Shells, Sand..... 274
Blevney Machine Co.:
Motor-driven Wheel-type Cushion Polishing Machine 77
Vertical Abrasive Finishing Machine..... 272
Blind, Employment of the..... 721
Bliss Co., E. W.:
Double Crank Power Press..... 82
Flat Edge Trimmer 657
Block, Cincinnati Planer Leveling 770
Blocks, Size 777
Blomquist-Eck Machine Co.:
Horizontal Boring Mill 465
Bloomfeldt & Rapp Co.:
Die-filing Machine 1100
Blow Torch, North American 777
Blowing Outfit, Air 777
Blueprint Paper, Handy Holder for. F. T. Harding 61
Blueprinter, Wagenhorst Electric..... 665
Board, A Department Call. G. G. Stevenson.... 158
Bobbin, Winding a Filling Yarn..... 415
Bode, J. C. P.:
Method of Expressing Tolerances..... 85
Boehm, A. H.:
Machinery and Equipment Record Card.....1082
Bogart, Howard M.::
Bent Nut Tapper 1049
Centering Fixture 1084
Boiler, An Electric Steam 144
Boiler Plate Drilling Machine, Niles-Bement-Pond 761
Boiler Plates, Design of Rolls for Making Ship and. S. W. Standiford..... 396
Bonus Rates in a Machine Tool Plant, Time Study and Setting of. Erik Oberg.....1051
Bonus System, Fellows Gear Shaper Co.'s..... 560
Bonus System in the Tool-room, The.....1126
Books, A Needed Improvement in Mechanical...1132
Booze, Norton A., Personal of..... 682
Borden Co.:
"Beaver Junior" Pipe Threader..... 775
Boring a Closed-bottom Shell, Tools for. M. H. Potter 427
Boring a Hemispherical Recess, Tool for..... 334
Boring a Large Flywheel on a Small Engine Lathe. R. H. Sharp 1175
Boring and Drilling Machine, Morris..... 872
Boring and Reaming Ball Bearing Housings on a Turret Lathe. P. S. Thomas..... 66
Boring and Reaming, Cylinder. Franklin D. Jones 383
Boring and Reaming Fixtures, Cylinder. Franklin D. Jones 822
Boring and Reaming Tools, Cylinder. Franklin D. Jones 507
Boring and Recessing Bar for Turret Lathe Work, Combination 715
Boring and Turning Lathe, Wright Gun..... 260
Boring Attachment for South Bend Lathes, Cylinder 997
Boring-bar and Elevating Toolpost, Skelton.....1198
Boring-bar Fly Cutters, Micrometer for Setting.. 646
Boring-bar Fly Cutters, Micrometer for Setting.... 964
Boring Chuck, Meyers Eccentric..... 991
Boring Cross-compound Air-pump Cylinders, Re-.. 857
Boring, Drilling, and Milling Machine, Giddings & Lewis 259
Boring, Drilling and Tapping Machine, Giant Horizontal 891
Boring, Dudgeon System of Precision..... 803
Boring, Facing and Tapping Machine, Munson....1186
Boring Fixture for Beveled Surfaces. Frank H. Mayoh 1083
Boring Fixture, Lathe. Harvey Mead 1079
Boring Head, Offset 1004
Boring Lathes, Amalgamated Shell Turning and.. 261
Boring Machine, Davis Cylinder..... 563
Boring Machine, Defiance Cylinder..... 887
Boring Machine, Newton Duplex Rod..... 883
Boring Machine, Pedrick Taper 1093
Boring Machine, Reed-Prentice Duplex..... 267
Boring Machines, Defiance Cylinder 672
Boring Mill, Blomquist-Eck, Horizontal 465
Boring, Milling, Drilling and Tapping Machine, Defiance 80
Boring Operation on a Lathe, Deep.....1175
Borkenhagen, John J.:
Testing Sprinkler Heads for Leaks..... 62
Special Tables Prepared from Tables in..... MACHINERY'S HANDBOOK 158
Lay-out and Piece-rate Card System..... 327
A Cheap Belt Cleaner..... 461
Method of Measuring Tubing..... 463
Carburizing the Ends of a Connecting-rod..... 548
Saving Time in Counting Screw Machine Product 754
Borst Coupler Control Mfg. Co.:
Fifth Wheel Trailer Control..... 83
Boss Facing Machine, Moline..... 172
Bosses on Airplane Engine Connecting-rods, Tool for Facing Ends of. C. H. Dengler..... 347
Bosses, Shaper Fixture for Finishing Outside of. Henry Daut 253
Boston Tool & Mfg. Co., Inc.:
Die Filing Machine.....1199
Indicator 1199
Bower, A. T.:
Forming Die 1137
Bracket, Adjustable Electric Light..... 570
Bradford Machine Tool Co.:
Geared-head Lathes 1090
Bradney Machine Co., Inc.:
Portable Overhead Crane..... 882
Brake, Magnetic 82
Brandt & Carpenter:
Indexing Fixture 997
Brass in the United States, Present Production of 247
Brass Rods by Rolling in Straightening Machine, Eliminating Stress in..... 755
Brass Shell, Drawing a.....1085
Brazing Machine, Electric..... 665
Breaker, C. H., Personal of..... 784
Brehm, Charles M.:
Lock-washer for Stripper Screw..... 753
Bridges, H. E.:
Locating Centers with Special Bushing..... 546
Bridgeport Safety Emery Wheel Co., Inc.:
Knife and Edge Grinding Machine..... 873
Combination Grinding Machines..... 993
Brion, A. E., Personal of..... 184
Bristol Machine Tool Co.:
Rotary Precision Grinding Machine..... 879
Britannia Metal, Replating..... 329
British and French Machine Tool Situation..... 892
British Embargo on Machinery and Machine Tools 650
British Embargo, The..... 596
British Gage Manufacturers Association, Ltd..... 544
British Government Plan for Industrial Research 1069
British Government Report on Machine Tools...1043
British High-explosive Shells and Shrapnel, Heat-treatment of 49
British Precision Tool Industry, Promotion of the 571
British Trade with France..... 835
Broach Teeth, Pitch of..... 742
Broaching Attachment, La Pointe..... 890
Broaching Chuck Bodies in a Hydraulic Press. Jack Homewood 459
Broaching Fixture. D. R. Gallagher.....1079
Broaching Machine, American.....1094
Broaching Machine, Hercules Power Press..... 991
Brockbank, V.:
Accurate Measurement of Dovetail Ways..... 356
Brogan, Graham W., Personal of..... 578
Bronze Bearings for Machine Tools, Cast Iron or. Donald A. Hampson.....1086
Bronze for Bearings, Cast Iron or..... 978
Brooks, W. C.:
Thread Tool Grinding Block.....1199
Brouillette, Albert V., Personal of..... 682
Brophy, J. P.:
Selling Liberty Bonds at Works of Cleveland Automatic Machine Co. 22
Brown, Albert, Personal of..... 90
Brown, C. J., Personal of..... 578
Brown, Frank H., Personal of..... 280
Brown & Sharpe Mfg. Co.:
Organizing a Liberty Loan Campaign..... 22
Stock Parts and Their Routing.....1109
Brown Instrument Co.:
Signaling Pyrometer..... 570
Brown, Raymond F., Personal of.....1008
Brownell, Edward H., Obituary of..... 282
Brunt, Albert, Personal of.....1106
Brush and Extension for Double-end Wrench, T-alot. C. H. Willey..... 156
Brussel, J. W., Personal of..... 900
Buckingham, Earle:
Principles of Interchangeable Manufacturing..1024
Terms Used in Interchangeable Manufacturing.1118
Buckley, Samuel S., Personal of.....1202
Buckwell, E. G., Personal of.....1104
Buffalo Forge Co.:
Bench Drilling Machine..... 874
Drilling Machine 1099
Buffalo Pitts Co.:
Organization of a Munition Plant..... 208
Special Tools and Appliances for Shell Manufacture 416
Special Tools for Shell Manufacture..... 534
"Bull Dog" Electric Demagnetizing Machine.... 673
Bullard, Henry Clifton, Obituary of..... 482
Bullard Machine Tool Co.:
"Mult-au-matic" 673
Bulley, C. R., Personal of..... 900
Bureau of Foreign and Domestic Commerce, Service Rendered by the..... 893
Bureau of Standards, A Task for the.....1033
Bureau of Standards' Work on Light Aluminum Alloys 802
Burke Machine Tool Co.:
Vertical Milling Machine..... 364
Burlingame, Luther D.:
Liberty Loan Campaign at the Works of the Brown & Sharpe Mfg. Co..... 22
The Spider as an Engineer..... 461
Stock Parts and Their Routing.....1109
Burner, Fuel Oil..... 83
Burnishing Cones 274
Burring Fixture, Skelton..... 476
Bush, T. Daniel:
Universal Indicator 777
Bushing, Fixture for Milling Oil-groove in. Donald A. Baker..... 644
Bushing, Locating Centers with Special. H. E. Bridges 546
Bushing that has been made Over Size, To Reduce a 1180
Bushings, Driving Fit Allowances for Jig. M. H. Chase 548
Bushings for Gray Iron Gears, Keyed Tool-steel. J. H. Moore.....1081
Bushings for Piercing Die. E. J. Higgins..... 159
Bushings, Machining Howitzer Breech..... 372
Business, Government Interference with..... 891
Butler, Theodore, Personal of.....1008
Buttress Threading with Taps. Donald A. Hampson 64
Buy, Government in Control of Railroads, Should Begin to 655
Buy in Another Year? Will Russia be Ready to. J. P. T. Lundin..... 928
Buying Now Would Improve Business Generally. 651
Buzz Engineering Co.:
Conveyor 778
Byer, Paul H.:
Special Compound Indexing Device.....1175
Byler, Robert C., Personal of..... 280

C

Cabinet, Sand-blasting 482
Cable Winding Mechanism, Automatic. Donald A. Baker 44
Cadillac Tool Co.:
Double-end Centering Machine..... 890
Cadman, C. E., Personal of.....1104
Cadmium in Zinc, Effect of..... 111
Cahen, A. J.:
Center Grinding Attachment..... 348
Turning a Two-throw 90-degree Eng ne Crankshaft 461
Small Portable Centering Machine..... 462
Turret Fixture and Expansion Arbor..... 750
Caird, R. A.:
Double-end Reamer 1191
Cairns, G. V. H.:
Cleaning Metal Surfaces..... 753
Calcium Chloride to Concrete, Addition of.....1158
Caliper, Horstmann Indicating.....1004
Calipers and Dividers on the Steel Rule, Setting. C. C. Hermann..... 574
Calipers, Indicating 666
Call Board, A Department. G. G. Stevenson.... 158
Cam-grinding Attachment, Multiple. J. Lennartz 214
Campbell, H. L.:
Tensile Tests of Cast Iron and Semi-steel..... 605
Campbell, Paul, Personal of..... 684
Canadian Manufacturers, Reconstruction Plans of 557
Canton Foundry & Machine Co.:
Portable Crane 83
Automobile Engine Floor Crane..... 669
Carbo Steel Products Co.:
Loading and Shipping Deck..... 83
Carburetor Plant, Organization of a. Fred H. Korff.
1 847
2 916
Carburizing Plant, Management of a. C. B. Langstroth 43
Carburizing the Ends of a Connecting-rod. John J. Borkenhagen 548
Card, Machinery and Equipment Record. A. H. Boehm 1082
Carle, Amos E., Personal of..... 900
Carpenter, R. E., Personal of..... 280
Carr, Bradley Sayre:
Manufacture of Manganese Steel Castings..... 182
Cars for the Army, Standardization of Cargo Trucks and Passenger..... 83
Cashman Tool Co.:
Adjustable Shell Reamer.....1202
Cast Iron and Semi-steel, Tensile Tests of. H. L. Campbell 605
Cast Iron and Semi-steel, Tensile Tests of—Correction. H. L. Campbell..... 784
Cast Iron for Aircraft, Specifications for..... 58
Cast Iron or Bronze Bearings for Machine Tools. Donald A. Hampson.....1086
Cast Iron or Bronze for Bearings..... 978
Cast-iron Parts, Rustproofing..... 919
Cast-steel Anchor Chain, Development of Electric 294
Caster, Hart Universal Plate..... 771
Casting Formed Cutting Tools, Process of..... 653
Casting Grinding Machine, Grand Rapids..... 999
Casting Grinding Machine, Manhattan Universal 995
Castings by Electricity, Preventing Shrinkage of 212
Castings, Chains Made from Steel..... 234
Castings, Chilled. H. Pollard..... 69
Castings, Manufacture of Manganese Steel. Bradley Sayre Carr..... 182
Castings, Mount Vernon..... 88
Catalogues, Machine Tool. Harry W. Davis..... 744
Catalogues, Prepayment of Import Duty on..... 605
Caulkins-Carpenter Co.:
Sensitive Drilling Machine..... 371
